KOMPATTO 221

The KOMPATTO 221 Screener is a small yet robust machine designed for recycling, composting, topsoil, landscaping, and contract building industries. Its compact size, quick set-up times, ease of transport and ease of operation makes the KOMPATTO 221 the ideal solution for small scale operations.

La KOMPATTO 221 est une machine petite mais robuste conçue pour les industries du recyclage, du compostage, de la terre végétale, de l'aménagement paysager et de la construction contractuelle. Sa taille compacte, ses temps d'installation rapides, sa facilité de transport et sa facilité d'utilisation font du KOMPATTO 221 la solution idéale pour les opérations à petite échelle.

La KOMPATTO 221 es una criba compacta pero también robusta, diseñada para aplicaciones de reciclaje, compostaje, tierra vegetal, paisajismo y construcción. Su diseño compacto, y su fácil operación y transporte, convierte la criba KOMPATTO 221 en la herramienta ideal para operadores pequeños.
